

Dear Discovery Families:

For those who missed our recent pep rally, we want to fill you in on some exciting news for our school! Our PTO has teamed up with Brookfield Residential and California West Communities in order to provide some new resources for our Discovery Explorers. These development companies are currently building their Rancho Tesoro community in San Marcos, which will bring many new families to our school. The donations we have received cover a range of programs including Music, Art, Makerspace, and Library. But by far the largest portion of this generous donation is geared towards our Innovation space. All donations are listed below.

It is important to note that these donated items do not represent any expenses that fall under the current PTO budget. Which means our fundraising efforts will remain as planned for the year. The good news is that we just wrapped on our Cash Drive and far exceeded our goal of \$20,000 with a final grand total of \$33,605.88 donated. We want to thank you for your generosity during our Cash Drive and are pleased to announce that we will be able to cancel our fundraisers for December and January this school year. We will still have our dine out each month, but hope that you will enjoy a short respite from school fundraising during the holiday season. We will gladly accept your donations throughout the school year; however, as our Cash Drive has officially ended, we will no longer be offering donation gifts.

Thank you for your continued support!

Sincerely,

Becky Shipley
PTO President

DONATED ITEMS
