

CORI IS UNLEASHING CREATIVITY WITH OUR MODELING KITS, MAKER TOOLS AND INNOVATIVE MATERIALS DESIGNED FOR THE CURIOUS MIND.

Discovery PTO Holiday Fundraiser

School Promo Code: **DIS**

'Tis the season for some holiday cheer, and what better way to boost your STEM and artistic skills than our new Cori "Gingerbread" Automata House Kit. This STEM project goes beyond the traditional version, as we amplified the Cori "gingerbread house" with a dancing Santa (automata design), functional door, and a removable roof for interior decorating. Limit the sweets this year, and reimagine the gingerbread house with this new, modern twist to a classic holiday experience.

Order: <https://bit.ly/corigingerbread>

Please use the above school promo code and link when purchasing on our website. The last day to purchase will be on Friday, 12/11. We will be shipping your purchase to the school's address and your PTA will be coordinating pickup dates. Your school contact is Lana Mills at discoveryptosmud@gmail.com.
